

CAMP SHISHEWANA 2011 Financial Aid Application

THE BRETHREN RETREAT
at Shishewana Lake

The Brethren Retreat *at Shishewana Lake* desires for any child to be able to attend a Camp Shishewana program regardless of their financial situation. We understand that there are certain experiences that make families unable to afford camp fees for their children. For this reason the Brethren Retreat has established a "Campership Fund" to provide financial assistance to families presenting a need. The remaining balance is paid by the family or other sources of church or community support. The "Campership Fund" is supported by special gifts to assist families with Camp Shishewana registration fees. The past two years the amount of funds available has decreased. We ask that families seek additional sources of financial assistance to help partner in meeting the need for financial assistance offered by the Brethren Retreat. Thank you!

In addition to other discounts and multi-camp packages, the Brethren Retreat *at Shishewana Lake* offers two options for financial assistance. A full scholarship of 75% support and a partial scholarship of 25% support towards the total camp fee.

Help us help you by recruiting a camper to join your child at camp.

Most churches offer financial assistance with camp fees. We encourage parents to check with their local church first for the requirements to obtain local financial assistance as well.
