Let Your Friends & Family Know All About It!

Family Camp is a time to renew a relationship with each of your family members. It is also a time to strengthen your family's commitment to follow Jesus Christ. Make sure that you take time to participate in family-oriented activities. Use this weekend to renew (or begin) your efforts to conduct family devotions. Talk and pray with family members this weekend to search for God's leading in your family's future. We have program activities for all age groups to participate in throughout the weekend. We provide these activities to help families create a refreshing time of fun and laughter. Parents are responsible for their children during the family-oriented part of the schedule.
