

2020 RETREATS Financial Assistance Form

The Brethren Retreat at Shipshewana Lake desires for any child, adult, or family to be able to attend a Camp Shipshewana program or Retreat regardless of their financial situation. We understand that there are certain experiences that make families unable to afford camp/retreat fees for their children. For this reason the Brethren Retreat has established a “Campership Fund” to provide financial assistance to families presenting a need. The remaining balance is paid by the family or other sources of church or community support. The “Campership Fund” is supported by special gifts from donors to assist families with paying registration fees. We ask that families seek additional sources of financial assistance to help partner in meeting the need for financial assistance offered by the Brethren Retreat. Thank you!

FULL SCHOLARSHIP – A full scholarship is a 75% discount off the total camp fee.

PARTIAL SCHOLARSHIP - A partial scholarship is a 25% discount off the total camp fee.

(The remaining balance is paid by the family or other sources of church & community support)

- We ask that the camper family provide some financial commitment or seek out additional assistance
- A camper registration may be awarded financial assistance either as a scholarship or as a discount.
- Camper families attending multiple programs (retreat & camp) may be awarded only one full & one partial scholarship annually.

Help us help you by recruiting another camper family to join your family at camp.

Most churches offer financial assistance with camp fees. We encourage parents to check with their local church first for the requirements to obtain local financial assistance as well.
