THIS EVENT IS VITAL! Almost post-COVID!! We launched a full schedule of Camp Shipshewana programs but were greatly stressed due to a shortage of summer staff. We served around 200 campers (<12% from 2021) with only 6 of our typical 14 summer staff. We relied heavily upon our volunteer staff and several alumni summer staff to accomplish a successful summer. As we close in on the end of the year, our guest and camper numbers struggle to rebound to pre-COVID levels. **We need more guests!!** Please promote the Brethren Retreat as a great place to escape a world of distractions!

Here are two quotes from 2022 campers.

Chloe, a Mini Bible camper (7 yrs old) stated at the end of camp;

"I learned that when we get into trouble, we can go to Jesus for help."

Ella, a Jr/Sr Hi Bible camper stated at the end of camp that she learn to;

" . . . always know that God cares for me and loves me no matter what happens."

Our alumni campers often state that the foundation of their best friendships was established during Camp Shipshewana. These friendships offer a spiritual accountability during their life journey. Your participation in the **29th Annual Brethren Retreat Fall Golf Scramble** will support a valuable and distinctive ministry that utilizes the outdoor setting to provide encounters with Jesus Christ and foster healthy relationships.

Hope to you at McCormick Creek Golf Club in Nappanee, IN on September 24th !
