"Young at Heart is a place where you can share your love of God with believers of your own age. You can be yourself. Being able to be out in the beautiful nature God has created is wonderful."

Shannon Brown, Indiana

"I've been a camper all my life. Many of my summers were spent either attending, counseling, or directing a Shipshewana Christian camp. Now that my age qualifies me for the Young at Heart Retreat, I can keep enjoying a camper experience with spiritual truth taught, great food, and wonderful fun with new and old friends. Join us, you won't be disappointed!!"

Steve Zebra, Florida

"It's inspirational and heartwarming and relaxing. Love getting together with others at Young at Heart....our happy place. Don't miss it! 🧡🙌"
