

Family Camp is a time to renew a relationship with each of your family members. It is also a time to strengthen your family's commitment to follow Jesus Christ. Use this weekend to renew (or begin) your efforts to conduct family devotions. Talk and pray with family members this weekend to search for God's leading in your family's future. We have program activities for all age groups to participate in throughout the weekend. We provide these activities to help families create a refreshing time of fun and laughter. Each morning is filled with prayer, worship & inspiration.

Parents are responsible for their child care during the family-oriented part of the weekend schedule.

“I love all the family time and games played. Family camp is a perfect end to the summer.”

“Family camp is refreshing. It's a great time to dig deeper into the word with the ones you care about most.”

“I look forward to family camp all year long.”
